Description

Come by and view this perfect family home that is beautifully laid out with an open plan kitchen and family room looking out to expansive North Shore mountain views. There are lots of windows and high ceilings to provide plenty of natural light in all areas of the house. This is a well maintained home for a growing family with 5 bedrooms, 4 bathrooms and a double attached garage. The downstairs is partially finished with great suite potential as a mortgage helper. This home is very charming and is centrally located on a quiet cul-de-sac close to schools, transit and shopping in beautiful Ranch Park.
