Description

This city and mountain view property is unique down to every last detail. Every feature has been carefully thought out and exquisitely designed with quality and use of space in mind. This is simply one of the nicest 2 bedroom and den units you will experience on Vancouver's West Side. Hans Grohe bathroom and kitchen fixtures, door in door fridge, Cambria Quartz backslashes, porcelain tile with Nuheat custom floor heating throughout, recessed mirrored medicine cabinets, Silver Ledge Stone features, Kessebohmer pull out pantry and the list goes on. The building is extremely well maintained with a live-in caretaker. There will be no public open houses as this property deserves your private viewing experience.
