Description

If ultra modern is your vibe and living on the seawall your dream, then you've found the perfect place! This 2 bedroom and den in a solid, freehold building on False Creek is a rare find indeed. With concrete floors and custom European cabinetry, it stands out from the crowd. The built-in beds, walk-in closet and Korean toilets only stand to separate it further. The 8th floor view includes city and water. It comes with parking, bike room and extra storage. It's all here! Open House Saturday, Sept 12, 12-2 pm and showings by appointment only after that. See you Saturday!
